

5 Million Lives Redefined -

WB21 acquires five Million customers in less than 3 years.

Singapore, May 28, 2018: Creating a new history in the global financial sector, WB21 has acquired its 5 millionth customer. Working as a digital bank, the FinTech company which is currently evaluated at 9.8 Billion USD started its services in December 2015 and completed this milestone in less than 3 years.

WB21 offers international bank accounts to individuals and businesses in 180 countries for 28 different currencies. Fastest cross-border payments and lowest banking fees are the two unique factors that enabled the company to have the fastest momentum of growth.

In September 2016, WB21 could achieve the 1 Million customers mark and in the following year, the figure was doubled. As the company is reaching new heights, the growth in market share was clearly visible with evident values of 32% in Latin America, 18% in Europe, 22% in Africa and 28% Asia.
